OLD TOWN PLAYHOUSE
ANNUAL REPORT 2022-23

AT THE CORNER OF ART AND CULTURE

This past season was one that deserves much applause. From comedic classics to full on farce and large scale musical productions, audiences raved about our productions of high quality community theatre. Black box theatre returned with **Pop Up Studio** and **Aged To Perfection (ATP)** enjoyed Improv and Readers Theatre. Our **Young Company** educational programming experienced explosive growth in all camps and classes – so much so that new programming was added to include more non-musical and technical opportunities as well. There are no unused spaces inside the OTP building, just theatre joy in every corner!

This next season is poised to be spectacular. The lineup includes five MainStage shows, including the musical blockbusters *Disney's Beauty and the Beast* and *The Wedding Singer*. New this year, we will offer **First Thursday** special pricing on MainStage shows to help make live theatre as accessible as possible to everyone! We are also bringing back the Opening Night Receptions with a Director Meet & Greet for each MainStage show.

Pop Up Studio will expand to three shows and ATP will perform a fall and spring show. Young Company will offer a full season of performances for shows, camps and classes.

This fall, a **transformation** will take place on the exterior of our building. Six murals will be installed to celebrate the rich arts culture in this region. This will allow the exterior of the building to better reflect the magic that happens inside!

Now is the time to join us at OTP. Whether your place is on the stage, beyond the stage or somewhere in between, we welcome new volunteers to join us in the magic of OTP. As we like to say – **we have a role for everyone!**

THOUGHT-
PROVOKING

An additional Director selected play will take place in April 2024.

ATP is a readers's theatre format where our seniors,
55 and above, can use their theatrical skills without
the burden of memorization.

ATP meets the second and fourth Saturday of the
month at 10 am and the Improv group meets the
first and third Friday of the month from 1 – 3 pm.
Both are held in the Schmuckal Theatre at OTP.

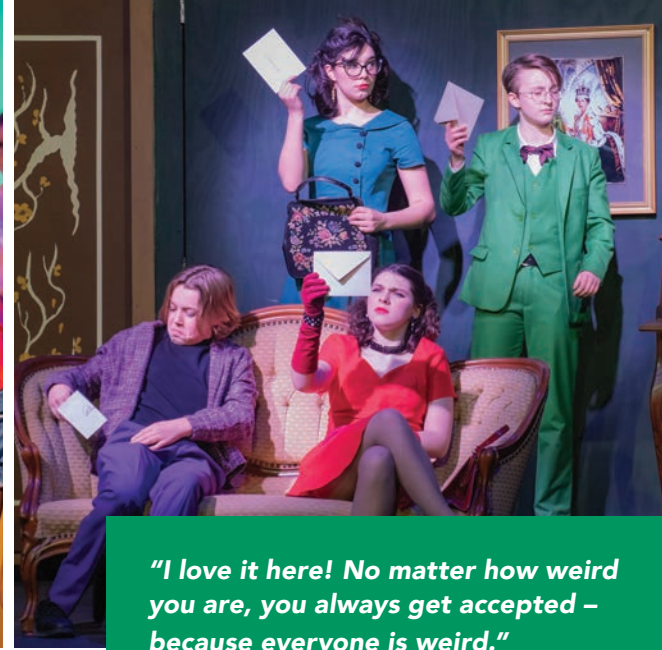

WHERE CREATIVITY MEETS CONFIDENCE

The **Young Company** is a thriving educational arm of OTP with a full schedule of classes, camps, workshops and performances serving ages five to eighteen. Our class sessions offer a uniquely authentic theatre learning experience.

Young Company productions provide students with the highest quality production values and professional direction and design. Our highly qualified staff is passionate about the theatre and performing arts and has decades of experience — we are eager to share these gifts with our Young Company students.

Our summer workshops and camps keep the halls ringing with happy young voices from June to September. The Young Company Four Week Summer Performing Arts Camp and One Week Intensive Musical Theatre Camps are the "hot tickets" of the summer here in Traverse City and are always full-to-bursting — be sure to sign up early!

"I love it here! No matter how weird you are, you always get accepted – because everyone is weird."

WHERE FRIENDS BECOME FAMILY

With every performance and every program, we connect people, ideas and magical moments.

We are a community theatre – **BY THE COMMUNITY AND FOR THE COMMUNITY** – reaching people on stage, backstage, off stage and in every seat of the theatre. Whether you are ready to be on the stage, prefer to be behind the scenes or anything in-between, at OTP we have a role for everyone!

WE CONNECT THE COMMUNITY

Together we bring about positive change to individuals and our community.

The quality of theatre you experience from OTP could not happen on ticket sales alone. Grants and donations make the magic possible.

THERE ARE MANY WAYS TO SUPPORT OTP:

- Individual donations can be made on our website, through Venmo or mailed to us.
- Sustaining donations can be set up by our box office.
- Two new endowment options are now available. One is for operating funds and the other is for future building expansion. You can designate an endowment on your donation or contact us.
- Estate gifts help support larger OTP projects.

We welcome the opportunity to speak with you about how to leave a legacy to OTP.

THANK YOU TO ALL OUR GENEROUS DONORS.
