## HETTIE MOLVANG

Hettie joined Aged to Perfection in 2012 when we first began. She was a guiding force in her days with us, and all will remember her laughter, her very British turn of phrase, her flirtation, her vibrancy through her 90 plus years, and her dancing.

Hettie devoted herself to extensive volunteer work: Commission on Aging, BASA, Steering Committee. One of Hettie's greatest volunteer passions came from service within the Parkinson's Network North advocating tirelessly for those affected by Parkinson's disease and increasing access to life-changing care nationwide.

Known for her thick British accent and kind, loving soul, Hettie's stories were a treasure trove of wisdom and humor. Anyone fortunate enough to hear them counted themselves lucky.

She enjoyed singing, tap dancing, acting, and sailing activities that brought joy to her and those around her. Her involvement with groups like the Happy Tappers, Old Town Playhouse, Aged to Perfection, exemplified her dedication to community and causes close to her heart. In her leisure time, she cherished moments with her beloved dog, Sadie, finding joy in life's simple pleasures. Her extraordinary spirit and zest for life made her an exceptional woman who truly aged to perfection.
